*Church  
on the Hill  
Where Faith &  
Life Connect*

Pastor Keith Butler

Sunday, March 22 2020

## *The Journey Begins Here!*

*Foundations for Life:* We strive to live out the teachings and behaviors of Jesus Christ.

*Acceptance:* We believe that God accepts us as we are, meets us where we are, and leads us to where we need to be.

*Inspiration:* We desire the Holy Spirit's creativity to take the Message of Christ to everyone.

*Team Ministry:* We endeavor to connect with each other to do ministry.

*Hope:* We are committed to bringing hope to people.

*Love:* Loving God, loving people - that's what our lives are all about.

*Integrity:* We aim for consistent Christ-like character and conduct.

*Friendships:* We long to share our lives with each other in true Biblical fellowship.

*Experiencing Life:* Through faith in Jesus Christ, we experience full life - life as it is meant to be lived.

What a challenging time we are experiencing! With the recent developments, we will be canceling all on-site meetings and services at least through March 31, 2020. (For further information, please see the notice from our District Superintendent Larry Moore.)

Please join us for Sunday services March 22 and 29 on Facebook live at 10:45 for our online service. The Wednesday schedule will continue to go with the school schedule: no school, no Wednesday service.

Sunday services will also be on the pod cast at [onthehill.church](http://onthehill.church). The website also has a giving button for those who would like to contribute. You may also mail contributions to the church address at 907 South Main or PO Box 507, Berryville AR 72616.

From Supt. Larry Moore

Greetings. The Executive Presbytery met to discuss the Coronavirus and our responses as a church. In addition, we have consulted with and received an opinion from our district attorney and advice from our General Council attorney. After much prayer and consideration, we are issuing the following recommendations to our Arkansas District churches.

1. Out of love and care for our communities, church families and those at risk, and out of respect for our authorities, all Arkansas Assemblies of God churches should follow the guidelines from President Trump regarding no meetings over ten people through March 31st.
2. If a sovereign church chooses to ignore the recommendations of our president, the CDC, and district leadership, be aware that you are exposing your church to liability that will likely not be covered by your insurance company. We want to be very clear - that decision will be made against the recommendation of your district leadership.

Updates will be shared as more information becomes available.

Our staff is always available to help. Please call 870-423-2228.

As we move forward please continue praying for divine intervention.
